

This is a leadership statement for all expectations from everyone involved in the project. I will lead by example, showing integrity, inspiring, and motivating them throughout the entire project. I will monitor the team through morning stand-ups and open door policy to keep motivation high which will provide quality work. As a team we will be setting an example of leadership by the using the below :

- Own and communicate the vision
- Partnerships and Alliances
- Rigorous Accountability
- Integrity with each other and project
- Create and promote teamwork
- Sharing information with team members
- Strive for continuous knowledge and improvement
- Professionalism
- Commitment

My personal leadership philosophy

- Everyone has a voice
- Lead by exam
- Honesty
- Pride in work
- Support team
- Be available
- Celebrate success
- Reward job well done

Team leadership philosophy

- Open communication
- Mutual respect and trust
- Accountability
- Be flexible
- Support one another
- Put differences aside
- Work together
- Be a team

Unacceptable leadership philosophy:

- Negative attitude
- Hoarding information / knowledge
- Competition
- Not open to learn from others
- Constantly complaining about others
